

Third Quarter Report 2025

St. Francis Police Department

It was a busy and active summer for the police department. Officers and staff hosted and/or participated in several summer events including National Night Out, Cone with a Cop, and Stay Home Safe For Kids Program. These events help the police department maintain great relationships with the public which is vital to keeping St. Francis a safe and enjoyable place to live and visit. Thank you to all the officers and staff who contributed and to all the community members for attending.

Overall, there were 1,760 calls for service during the 3rd quarter, which is a slight decrease from the 2nd quarter. There were 36 Group A offenses which include offenses such as burglary, damage to property, fraud, theft, robbery etc. There were 960 Group B offenses which include offenses such as disorderly conduct, DWI, trespassing, and all other offenses which would include vehicle accidents, medicals, ordinance-related calls, welfare checks etc.

Over the summer officers participated in numerous Toward Zero Deaths (TZD) initiatives within St. Francis in efforts to reduce traffic crashes, injuries, and deaths on Minnesota roads. These initiatives included speed, DWI, Move Over Law, and seatbelt enforcement waves. When not participating in TZD initiatives officers are staying very proactive in enforcing traffic laws within the city. In total officers stopped 764 vehicles during the third quarter and issued 165 citations.

The dedicated professionals of the St. Francis Police Department work hard to serve the St. Francis Community and as always want to thank the City Council for their continued support.
